2. Exhibitors are requested to send entries to the Secretary at Holland, on or before noon, July 7. Entries for Classes Q to W (incl.) must be in before 11 o'clock on the first day of the Exhibition; classes A to N (incl.) must be in before 11 o'clock on the second day of the Exhibition. After 11 o'clock 50c fine will be charged. This rule will be strictly adhered to.

3. All inside exhibits must be in the Hall not later than 11 o'clock the first morning of the show and shall be in until the close of the Exhibition. All live stock must be on the grounds not later than 11 o'clock the second morning of the show and shall be on until the close of the Exhibition. No animal will be allowed to compete as pure-bred unless pedigree is produced; brood mares must appear to have sucked a colt the present season, or noticeably in foal. Pedigrees will be accepted that have been entered in any herd or stud book.

4. The grain, roots and dairy produce must be the property of the exhibitor and on his farm or holding; the manner of culture or curing to be furnished the Secretary if required, and all grain must be grown the previous year.

5. Stock must be the bona fide property of exhibitor.

6. Each bull must have a ring in its nose, or be otherwise properly secured, to prevent the possibility of an accident. Cattle must be shown on rope, and colts on halter, not driven into the ring indiscriminately.

7. No animal will be allowed to compete in more than one class. A yeld mare shall mean one that is four years and upward. Mares having lost their colts are considered yeld mares.

8. Any exhibitor shall, if required by the directors, make a statutory declaration that the exhibits shown by him are made in accordance with the rules of the Society, and in case an exhibitor refuses to make such a declaration on being requested, all premiums awarded to him shall be forfeited.

9. In the absence of competition in any section, or if the stock or article exhibited be of inferior quality the judges are instructed to award only such premiums as they think the articles are deserving of. They will exercise their discretion as to whether they will award the first or no prize.

10. The judges may recommend articles although not on the list, and the directors will take the matter into consideration. Premiums shall be paid only on the authority of, and in accordance with, the judge's award.

11. No persons will be allowed to interfere with the judges in the discharge of their duties. Exhibitors so interfering will forfeit their right to any premiums to which they might be otherwise entitled.
